ADD PREMIUM FASTLANE GOLF TEE TIMES TO YOUR TEE SHEET

GIVE COMMITTED GOLFERS THE EXPERIENCE THEY WANT

60% OF GOLFERS WILL PAY MORE FOR A FASTER ROUND OF GOLF*

ADD REVENUE AND PROFIT

*USGA pace of play research

In research conducted by the USGA, **74% of golfers say pace is crucial** to their enjoyment and further shows that players are willing to pay up to 25% more for an optimized, dedicated, 'fast' experience.

FastLane Golf gives golf courses the system and optimization tool kit to offer and manage dedicated FastLane Golf tee-time slots for instant player attraction, at premium rates for immediate ROI.

- Golfers are willing to pay a premium for a fast, great flow, no-hold-ups round of golf.
- Younger golfers are willing to pay a higher premium that older players (time being more important to them)

HOW IT WORKS

FastLane Golf gets set up on a course for two or more mornings a week. The system analyses optimal tee times, interval and goal times and provides a complete, turn-key package to be sold via tee sheets:

- FastLane golf - play 18 holes in a committed 3.30h / 3:00h etc
- 5-8 tee times available (this can be increased in line with demand)
- Players commit to playing within FastLane Golf's time par - the system provides live dynamic pace updates to each playing group to stay on pace and enjoy their round
- The course commits to proactively manage the FastLane Golf tee times with the help of the system to provide an optimal outing for the players
- The course offers FastLane golf at a premium ie. +10 to 15% on comparable tee off times

"OUR PLAYERS LOVE IT! WE HAVE A LOT OF DEDICATED GOLFERS WHO PREFER FASTER ROUNDS, FASTLANE GOLF IS THE PERFECT FIT. IT IS EASY TO MANAGE AND GENERATES EXTRA REVENUE."
